Journal of Automatic Chemistry, Vol. 15, No. 6 (November–December 1993), pp. 233–234

Index of Authors (with the titles of papers)

A

ALUMÀ, A., *see* Masià, F.
ANTOJA, F., *see* Masià, F.

B

BABLOK, W., *see* Zaman, Z.
BEHNKE, M., *see* Mayer, H.
BIOSCA, C., and GALIMANY, R.: Criteria for the assessment of analyser practicability 167
BIOSCA, C., *see* Masià, F.
BLANCKAERT, N., *see* Zaman, Z.
BLUNDELL, N. J., HOPKINS, A., WORSFOLD, P. J., and CASEY, H.: A portable battery-powered flow injection monitor for the *in situ* analysis of nitrate in natural waters 159

C

CARPENTER, B. G., *see* Locke, I. C.
CASAMAJÓ, M. T., *see* Masià, F.
CASEY, H., *see* Blundell, N. J.
CASTIÑEIRAS, M. J., *see* Zaman, Z.
COBBAERT, CH., *see* Zaman, Z.
CORNS, W. T., *see* Stockwell, P. B.
COSANO, J. S., LUQUE DE CASTRO, M. D., and VALCÁRCEL, M.: Flow-injection analysis of water. Part 1: Automatic preconcentration determination of sulphate, ammonia and iron(II)/iron(III) 141
COSANO, J. S., LUQUE DE CASTRO, M. D., and VALCÁRCEL, M.: Flow injection analysis of water. Part 2: Integrated system for automatic multidetermination 147
COSTA, S., *see* Monti, L. D.

D

DOMKE, I., *see* Zaman, Z.

F

FUENTES-ARDERIU, X., *see* Zaman, Z.
FUHRMANN, B., and SPOHN, U.: A PC-based titrator for flow gradient titrations 209

G

GALIMANY, R., *see* Biosca, C.
GALIMANY, R., see Masià, F.
GILLERY, P., *see* Zaman, Z.
